MEMORANDUM FOR: [ ] Security Officer, CIA

25X1A

SUBJECT : Request for a [ ] at  
Wright Patterson Air Force Base

25X1A

25X1A

1. In accordance with a discussion regarding the Subject on 9 August 1963 between [ ] of your office and [ ] of this office, this memorandum is being forwarded for your consideration and appropriate action.

25X1A

2. For some time, a USAF office at Wright Patterson Air Force Base has been providing vital support to OSA projects. This office, located within Aeronautical Systems Division at WPAFB and commanded by Colonel Horace A. Templeton, is particularly involved in Projects "O" and "T". In addition, this office was recently designated the technical center for additional extensive developments within Project [ ].

25X1A

3. In view of the considerable activity at the Wright Patterson office, it is apparent that it should be approved for receipt [ ] material. Operations to date have been cumbersome without this approval.

25X1A

4. In support of the above recommendation, it should be pointed out that [ ] a CIA Security Officer, was recently assigned to Colonel Templeton's staff. In addition, the office is equipped with a vaulted area and is expected shortly to have its own communications center within the vaulted area. Security Staff/OSA will be pleased to provide further information or assistance regarding this request should it be necessary, and requests you coordinate with this office prior to taking any action.
